# 6 Easy Steps to Owning Your Own Business

Starting a Mr. Food no-fuss Meals make-and-take franchise is an exciting and unique opportunity. We're happy that you've taken the time to explore what sets the Mr. Food no-fuss Meals brand apart. You'll find that just as we have carefully planned our meal assembly franchise system, we have designed a franchise application and qualification process that we think are as streamlined as possible. So what are you waiting for?!

## Step 1: Identify your goals.

Let's spend some time identifying your goals and seeing if Mr. Food no-fuss Meals is right for you. We believe it is important for you to be well informed about our industry.

## Step 2: We'll forward a Request for Consideration.

Once you are sure this is the right opportunity for you, you'll complete and submit your paperwork, sharing information that will help us evaluate your unique qualifications and assess your compatibility with our concept. Do this right away, so we can move forward!

## Step 3: You'll hear from us!

After we review your qualifications, our team will determine if you meet the Mr. Food no-fuss Meals franchisee requirements and, if so, we'll send you a Uniform Franchise Offering Circular (UFOC). This document discloses lots of important information to you, as a prospective franchisee, regarding our concept and our company's history and goals, as well as the obligations of being a Mr. Food no-fuss Meals franchisee. Please remember to sign and date the receipt page of the UFOC and fax it back to us.

## Step 4: Do your homework.

This is the time for you to thoroughly review our Franchise Agreement and UFOC. At this time, we feel it is in your best interest to consult with your business and financial advisors. We also suggest you arrange a time to speak with Howard Rosenthal, our Chief Executive Officer. He'll share with you our vision and our commitment to the future.

## Step 5: Let's get together!

We invite you to a Discovery Day, where you (and your business partner and/or spouse, if applicable) will meet the people behind Mr. Food no-fuss Meals, tour our test kitchen and TV studio, and visit a few of our stores. You'll be able to visit with current franchisees and hear how they like being part of the Mr. Food family. We'll begin to build a foundation for a long-term business relationship. You'll finish the day confident that you have a thorough understanding of our company, our operations, and the commitment necessary to become a successful Mr. Food no-fuss Meals franchisee. See what sets us apart!

## Step 6: Join the Mr. Food no-fuss Meals Family!

After you sign your Franchise Agreement and other related documents and submit them with your \$35,000 Franchise Fee plus Grand Opening Marketing Deposit, we'll review all documents and, when approved, we'll send you an executed copy along with final written approval of your protected territory. It's that easy!

**Important:** Submission of a franchise application does not obligate the prospective applicant to purchase a franchise, nor does it obligate NFM Franchise, LLC to award a franchise to the prospective applicant. Offerings are only made by NFM Franchise, LLC following our receipt of a request for consideration and the delivery of a Uniform Franchise Offering Circular (UFOC). Do not sign a lease or obligate yourself in any way until the entire franchise application process is completed.
